

Tiki Steve's feature's a beautiful setting with an emphasis on customer care. Amenities include an on-site restaurant, an overlook with spectacular views of the Harbour and South Lindstrom Lake, a new cedar-topped floating dock with available utilities, gas and a staff that will cater to all of your boating needs.

South Lindstrom Lake is connected with Chisago Lake: a total lake area of 1,600 acres available for boating. The lake is well known for fishing and wildlife, while providing plenty of room for water sports and swimming, without the boat traffic found on metro lakes. Our staff is committed to helping you maximize your boating experience. We will assist with loading and unloading your "boating luggage," such as coolers and water sporting equipment. We will help your boat to and from the slip and orient you to the lake to keep both you and your boat safe.

We also have detailing, winterizing and shrink-wrapping services available. Call for information and prices.

TIKI STEVE'S

Enjoy your next gathering on one of our luxurious pontoons or charter boat. Great for parties and group events of every kind (business meetings, birthdays, anniversaries, receptions, etc.). Entertain family, friends, or out-of-town guests while enjoying the South Lindstrom and Chisago Lakes.
